

### Quiz-8: Question: Will I get driving license?

The objective of the Quiz is to make the members to test the rules as well as to increase the beginner's confidence level.

Please find below horary chart details of the various person. The question is same for all the person. Will I get driving (light vehicle 4 wheeler/car) license?

Case Number	Horary Number	Date of Judgment	Time of Judgment	Place of Judgment	Scheduled Date for Road Test
1	143	27.12.2008	16:03 Hrs	Abu Dhabi	25.01.2009
2	69	20.03.2009	19:27 Hrs	Abu Dhabi	09.04.2009
3	7	20.04.2009	18:56 Hrs	Abu Dhabi	21.04.2009
4	99	19.04.2009	20:10 Hrs	Abu Dhabi	22.04.2009
5	43	20.04.2009	19:20 Hrs	Abu Dhabi	23.04.2009

Place: Abu Dhabi, United Arab Emirates

Time Zone: 60D 0 E (GMT + 4hrs offset)

GG Lat. 24 D 28 N

GC Lat. 24 D 19 N

GG Lng. 54 D 22 E

Hint:

====

Thought the scheduled test time are different for all but it was in the morning time (say 7:30hrs to 13:30 hrs local time)

One of the person told me that if he is going to be failed in the road test (that is if the answer from astrological analysis/prediction is FAIL) then he don't want to attend the road test as per the scheduled date and would like to appear for the next road test in a different date. So as an astrologer now if we say FAIL then he may not attend the scheduled test then the prediction may go wrong. Without attending test there is no result at all. However the planet signification must show what is going to happen. Hope it is an interesting case for the astrologers to judge.

So I request all of the participants to write the RULE for the above query before you give the results so that it will help others to understand.

Rule 1: Whether he/she will attend the test?

Rule 2: Whether he/she will pass and obtain license or will be failed?

Any other points/Rules to be considered while analysing the chart to give prediction.

I request individuals to cast the chart as per the above data and give your RULES first then the results. Hope I have given the necessary details but still if you need any other details please E-mail to me and I may be able to provide the same.

NOTE:

PLS SEND YOUR ANSWER TO THE FORUM AND CC TO MY ID: athi\_ram@...

Similar to our earlier Quiz 7, the answer of the member will not be posted in the forum until the result is announced. I REQUEST MODERATOR (MR.PUNIT) TO DO THE NEEDFUL.

I invite every astrologer members to participate!

RESULT: will be announced on Friday!

Good Luck

Thanks with regards

D.Senthil

Based on my personal opinion/experience I hereby humbly give the Rules that I have followed for prediction.

**RULES/houses to be considered for the said Query**

a) HOUSES/PLANETS TO BE CONSIDERD FOR JUDGMENT

1. 4<sup>th</sup> house indicates the vehicle that he/she is going to Drive for the test.
2. 7<sup>th</sup> house indicates the license issuing authority/Department.
3. 3<sup>rd</sup> house to judge his/her confidence level (Dhana,veera,sura, karna Bhava).
4. 9<sup>th</sup> house for the document (license) issued by the license issuing authority as it is 3<sup>rd</sup> to 7<sup>th</sup> house. Here I have not considered much importance to the 3<sup>rd</sup> house for license because Native's contribution to the subject query is attend for test and put the best effort to get PASS in the road test. This 3<sup>rd</sup> house may be considered for Short Travel etc.
5. 6<sup>th</sup> house to judge the Winning strength for the Road test.
6. 11<sup>th</sup> house for fulfillment of desire
7. Strength of Mercury planet as it is the karaka planet for the paper work, document (license) etc.

b) WHETHER HE/SHE WILL ATTENED THE ROAD TEST?

4<sup>th</sup> CSL in a star lord of a planet occupied in MOVABLE sign or COMMON sign but not in FIXED Sign. To attend test they have to drive/move the vehicle first. Hence I have considered this RULE.

c) TO OBTAIN LICENCE.

4<sup>th</sup> CSL in a star lord of a planet signifies any of the houses 4,6,9,11.

6<sup>th</sup> CSL in a star lord of a planet signifies any of the houses 4,6,9,11.

Instead if they signifies 5, 8, 10,12 (indicates LOOSING the test)

Here 8<sup>th</sup> house indicates mental worries/tension for attending the road test. In the other way it may be considered as 12<sup>th</sup> to 9<sup>th</sup> house negates the 9<sup>th</sup> house matter (license).

3<sup>rd</sup> CSL in the star lord of the planet will signify the Native's confidence level.

Strength of the planet MERCURY in the chart. How far it is connected with positive signifiers (4,6,9,11) or with negative signifiers (5, 8, 10,12) by Judging it's own Signification as well as it's Star lord and Sub lord.

d) OTHER COMMON RULES.

- 1) For Horary chart, The CSL in query deposited in a star lord of a planet should not be retrograde. If so until that planet becomes direct the matter will not give fruitful results.
- 2) If both CSL and it's star lord are retrograde the answer to the Native/questioner can be given Negative.
- 3) The strength of a planet's sub lord to decide/dispose the matters indicated by that planet's star lord.
- 4) Finally the RP at the time of judgment to decide DBA and the transit of planet etc.

**Note:**

Case-1 & Case-2 belongs to the same person. Case-1 for his 2<sup>nd</sup> road test attempt and Case-2 for his 3<sup>rd</sup> road test attempt. He is the man put the message regarding for changing the date incases of FAIL astrologically.

Case-3,4 & 5 chart belongs to other individuals.
